Rambler™

The BOB Gear® Rambler Jogging Stroller is the perfect companion for all your family adventures—whether heading to the farmer's market or going out for a jog.

KEY FEATURES

- 12" air-filled tires on high-impact polymer wheels easily take on bumps and are compact to save trunk space.
- Swivel-locking front wheel swivels for easy maneuverability or locks for stability when jogging on- or off-road.
- Suspension system offers up to 3 inches of travel for an ultra-smooth ride.

Swiveling Front Wheel

- Sturdy, aluminum frame is both lightweight and durable, delivering a robust stroller that weighs 25 lbs.
- 75 lb. weight capacity and spacious seating area offer extra room to grow.
- Extra-large UPF 50+ canopy helps shield your child from sun and weather.
- Fully-upright, padded seat with ventilation allows your child to see the world and ride comfortably on all your adventures.
- Travel system ready when paired with a BOB Gear infant car seat
- by Britax® or other major brand car seat. (Requires the BOB Gear Infant Car Seat Adapter - sold separately).
- One-hand recline adjustment lets you quickly lay the seat back with the simple squeeze of a button.
- Large cargo basket for spacious storage underneath the stroller seat.
- Five-point harness with no-rethread design keeps your child secure and allows for easy height adjustments.
- Easy 2-step fold for convenient transportation and storage.
- Easy-remove wheels allow the stroller to become more compact for easy storage in tight spaces.
- Adjustable front wheel tracking refines alignment with a simple twist of the knob to keep the stroller running straight when the front wheel is locked out for jogging.
- Foot-activated parking brake secures both back wheels in the stopped position with one step.
- Wrist strap provides safety while running and includes a buckle to lock the stroller closed when folded.
